

## Analytical Data Sheet

Lot number **1065405**  
not for drug use

Catalog number H-2430.0025  
Product number 4030514.0025  
Product Chymostatin (microbial product)  
Molecular formula  
Relative molecular mass

Tests	Results
Appearance	white powder
General comment	Inhibitory Activity IC <sub>50</sub> 0.2 µg/mL IC <sub>50</sub> < 0.7 µg/tube (2 mL) (α-Chromotrypsin/Casein pH 7.4, 37 °C)
General comment	Percentage of X Component Val 28% Ile 18% Leu 54%
General comment	Usage for research use only. Not for use in diagnostic or therapeutic procedures

Latest update: September 07, 2016
